INTERN PROGRAM

Kossuth County Economic Development Corporation is now requesting businesses to notify our office if they plan to have summer internships available. College students have been contacting KCEDC to inquire about possible job openings throughout Kossuth County. Please contact KCEDC if you have any job openings available, as a form will need to be completed, which will include the business name and telephone number, contact name, number of interns needed and job descriptions. This form is available at KCEDC and must be completed by **May 3, 2010**

Kossuth County Economic Development Corporation, will kick-off with the Intern Breakfast on May 25th. Following the Intern Breakfast will be an array of different business training sessions such as business etiquette, resume writing, mock interviewing, finance 101 and much more. The Intern Golf Outing, which is scheduled on June 18th, is seeking business contributions to include in gift bags and prizes for our Interns. These items include t-shirts, sweatshirts, travel bags, caps, post-its, pens, calculators, mugs or gift certificates, such as golf green fees, meal certificates, or savings bonds. These promotional items can be dropped off at KCEDC, or please contact our office and we will be happy to pick them up. All contributions are needed by **May 3, 2010**. Another function scheduled this year is the CEO-Intern Luncheon which will be held on July 21, 2010. This is another excellent opportunity for the Interns to network with area CEO's of Kossuth County.

KCEDC would like to thank you for your support. Our goal is to market Kossuth County and to let students know that there are jobs available for them to come back to.
