

A Long Day

Read about the Kossuth County tornado. Then, circle all the long a words. Say each long a word and write each one in the correct list below.

The Kossuth County tornado approached on a June day in 1979. It crossed the highway and went straight to Algona. It raised many things in its way and even damaged areas where children liked to play. The people stayed protected and waited until it was over. It failed to destroy the town. The citizens paid to restore it to a better place to live.
